Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

**Confirmed:** Majority of high tar smokers rate MERIT taste equal to—or better than—leading high tar cigarettes tested! Cigarettes having up to twice the tar.

**Confirmed:** Majority of high tar smokers confirm taste satisfaction of low tar MERIT.

### First Major Alternative To High Tar Smoking

MERIT has proven conclusively that it provides an “easy switch” from high tar brands—and continues to satisfy former high tar smokers.

This ability to satisfy over long periods of time could be the most important evidence to date that MERIT is what it claims to be: The first real taste alternative for high tar smokers.
